Dear Parents / Guardians and Students:

Does your child dream of doing something amazing? Their dream may be more “within reach” than you might think with this year’s Reflections program, an arts-based contest for students sponsored by the Gill Hall PTA.

“Within Reach” serves as the national theme for this year’s Reflections program and encourages students’ to think about their dreams, ideas and goals in life – whether big or small – and creatively express how it’s all within their reach. If they can dream it, they can do it!

To enter, simply choose the arts category you’re interested in (music, visual arts, literature, and photography) and create an original piece of artwork based on the theme. Parents are asked to support each student’s creativity, but also to ensure that the entries are done by the students. All rules and entry forms are available to download on the Gill Hall PTA web site: <http://www.gillhallpta.org/links.html>. Please note, this year you must submit an electronic image of your artwork along with the entry as part of the submission. **Deadline for entries is Tuesday, March 6.**

To honor and celebrate all participating students, **a school-wide assembly will be held on Friday, March 23.** At this time, students with winning entries will be announced and presented with special awards.

We look forward to seeing all of the creative entries from our students this year!
