## ***Questions and Answers***

---

- Q. Is this Policy primary or secondary coverage?
- A. This policy is Primary Excess – meaning A-G will pay the first \$100 in valid medical expenses payable without regard to any other valid and collectible insurance plan. Once expenses have exceeded \$100, A-G will make payments in excess of any other valid and collectible insurance.
- Q. May we purchase the policy at any time during the year?
- A. Yes, coverage may be purchased at any point in time during the school year for your child. However, there is no pro-rating of premium for enrollment that occurs after the policy effective date. The earlier you enroll the more your child will maximize their coverage.
- Q. Will this policy pay if our other insurance has a deductible?
- A. Yes, this policy does not have deductible. You should submit expenses in excess of \$100 to your other insurance carriers and forward a copy of the itemized bill and explanation of benefits showing the amount of the deductible.
