McClellan Elementary declares a

# DIME WAR

to benefit the Pittsburgh area

march  of dimes®

---

**The event runs the week of March 27 - 31**

---

Clean out those couch cushions and junk drawers. Send in all your loose change—pennies, nickels and quarters, too—and help make a difference in the lives of premature babies.

The class that collects the most money will earn a “March Madness” shootout with Mr. Liberatore!

Students will also attend an assembly on April 12 where teachers will compete in a Trivia Contest!

**Fact: 9.3%  
of all babies**

born in Allegheny County are born premature.

---

**Was your current McClellan student a premie or NICU baby?**
