

Do 52!

What is Do 52!? It's a campaign created by the youth of PA's Youth Community Service Advisory Council, sponsored by PennSERVE: The Governor's Office of Citizen Service.

Our Mission: To spread our passion for volunteerism among youth statewide.

Our CHALLENGE to You:

- Simply volunteer 1 hour a week - that's 52 hours a year
- Log your service, have a sponsor or parent sign off, and send it to us.
- You'll get an awesome certificate of recognition, and your community - and PA - will be improved by your service.
- Then pass the Do 52! Spirit on to other PA youth!

If every youth in PA accomplishes this, over **89 million** hours of service will be performed!

Help the world!

Spread the word! **Do 52!**
