

GOAL STATEMENT

Exploratory Business

Thomas Jefferson High School

Open to 9th or 10th grade students ONLY, this semester course will introduce students to the many aspects of business, serving as a background for other business courses the students may elect in high school and in college. This course will prepare students for future employment while they gain the knowledge, skills, and aptitudes necessary to secure and succeed in their first job and manage their personal finances as well as help them to become an educated consumer.

During this course the student will study:

1. Basic Economics
2. Business Operations
3. Careers
4. Consumerism
5. Finances and Banking
6. Credit
7. Savings and Investment
8. Personal Finance
