

WEST JEFFERSON HILLS SCHOOL DISTRICT
Exploring Technology

GRADE 6

PA Academic Standards Student must be able to do	Objective Content or process student will be able to know and do	Instructional Methods	Materials/Resources Textbooks, trade books, workbooks, software, hardware, etc.	*Assessment Procedures *Additional adaptations, modifications, accommodations, and enrichment/ acceleration will be provided per IEP	*Additional Learning Opportunities for students who do not meet basic standards *Additional adaptations, modifications, and accommodations will be provided per IEP	*Extended Learning Opportunities for students who can go beyond the basic standards. *Additional enrichment/acceleration will be provided per IEP
<i>Pennsylvania's public schools shall teach, challenge and support every student to realize his or her maximum potential and to acquire the knowledge and skills needed to. . .</i>						
3.1.7 A Explain the parts of a simple system and their relationship to each other. 3.1.7.D Explain scale as a way of relating concepts and ideas to one another by some measure. 3.2.7 B Apply process knowledge to make and interpret observations. 3.2.7 C Identify and use the elements of scientific inquiry to solve problems.	<ul style="list-style-type: none"> • Identify how to measure with the metric scale and with the Standard English scale. • Demonstrate an understanding of the customary scale to the 1/16" • Apply the use of various tools for both the customary and metric scale • Describe the importance of testing and evaluating products as it relates to the design process model. 	<ul style="list-style-type: none"> • Direct Instruction • Group Work • Hands-on Work • Internet Research • Cooperative Learning • Class Discussions • Q/A • Demonstrations • Note Taking 	<ul style="list-style-type: none"> • Activity Packet • Calculators • Measuring Devices • Worksheets • Hand Tools • Production Machines • Computers • AutoCAD • West Point Bridge Builder • Adobe Photoshop 	<ul style="list-style-type: none"> • Teacher Observation • Tests • In-Class Work • Portfolio Check • Critical Thinking • Peer Evaluation • Q/A • Problem Solving • Critical Thinking • Rubric 	<ul style="list-style-type: none"> • Extended Time • Tutoring • Technology • Adapted Lessons • Access to Learning Support • Review and Re-teach • Peer Interaction • Group Instruction 	<ul style="list-style-type: none"> • Additional Work • More In-depth Project • Technology Competition • Peer Instruction • Independent Research Project
