

West Jefferson Hills School District Music Goal

1. Develop aesthetic sensitivity and response through the academic study of the concepts and skills inherent to music as a foundation for life long awareness, appreciation, learning, and participation in music.
2. Develop life skills: responsibility, work ethic, motivation, confidence, reliability, and assertiveness through the study of music.
3. Develop group skills: cooperation, teamwork, and leadership.
4. Provide music curriculum reinforcement and enrichment through cultural opportunities present within the metropolitan region.
5. Develop the students' performance skills to the best of his or her ability with excellence as the goal.
6. Develop ensembles that perform at the level of excellence set by outstanding music programs within the metropolitan region and throughout the USA.
7. Maximize and expand music facilities that address the district's expanding music programs.
8. Promote student recognition for achievement in music.
9. Communicate effectively throughout the educational community to ensure comprehensive and sequential learning.
