

POLICY 110 -- INSTRUCTIONAL SUPPLIES

1. Purpose

It shall be the policy of this Board to supply each teaching staff member and student with the supplies and equipment that are deemed necessary for the implementation of the approved program.

Exceptions to this policy shall be:

- . Where individualized and non-reusable clothing or equipment is required for reasons of safety or health, pupils will be requested to provide their own clothing or equipment which shall meet standards set by the school. Such standards shall be those reasonably related to the considerations of safety, health, and protection of property.
- . Where students prepare useful items which they are permitted to keep, they may be required to pay the district the cost of the materials used.
- . Where the foregoing requirements impose a financial hardship on a student, the school district will assume the cost. The Superintendent shall devise procedures assuring that no student need be denied participation in the school program for financial reasons while at the same time guarding the privacy of each student.

The Board may require that students provide certain supplies for the conduct of co-curricular activities. The West Jefferson Hills School District will not purchase the following supplies for participants of athletic teams: athletic footwear and personal apparel such as T-shirts, trunks, socks, athletic supporters, and towels.
