RE: INTEGRATED PEST MANAGEMENT POLICY

Dear Parent/Guardian:

The West Jefferson Hills School District's Board of Directors adopted Policy No. 701 "Integrated Pest Management Policy." The policy outlines the district's approach to pest management. The district takes a proactive approach, effectively preventing any pest from entering our buildings. This has enabled the school district to rarely use pesticides.

The policy outlines that parents and guardians be notified when and if pesticides are applied. If you would like such notification, please complete the form below and return it to your building principal. A copy of the policy is available in the building office for your review.

Sincerely,

Terry A. Kinavey
