

The West Jefferson Hills School District is pleased to announce the reelection of Mrs. Shauna D'Alessandro to a three-year term on the Board of Directors of the Allegheny Intermediate Unit. Mrs. D'Alessandro was elected to this position by her peers: the elected school directors serving the 42 school districts that comprise Allegheny County.

Numerous services and cost savings are provided to the school districts of Allegheny County through their collaboration with the Allegheny Intermediate Unit, which includes the special education services that are provided to our students in West Jefferson Hills. The decisions made at the Intermediate Unit directly impact our District, our students, and our taxpayers. Mrs. D'Alessandro's dedication of time and talent to this additional commitment of service to students is greatly appreciated.

Congratulations, Shauna, and thank you for your continuing service and dedication to the students, parents, and residents of West Jefferson Hills.
