Dear Future Jaguar Players,

For the past ten years, the Thomas Jefferson Football team has been one of, if not the most successful football teams in the entire state of Pennsylvania. Teaching our young players the skills they will need to compete at the various levels of play is important for the future of our program. In these three days you will learn football the TJ WAY, from our experienced TJ Varsity coaching staff, and also current and past players.

These coaches are dedicated, caring individuals who will strive to make you a better football player and person. You will learn techniques and fundamentals that we emphasize every day with our varsity team **PRIDE, DISCIPLINE, ATTITUDE, LEADERSHIP** and **TEAMWORK** are the cornerstones of the TJ program.

The desire to compete and be a **CHAMPION** is a feeling that we want to instill in all our players. This camp is a great way to develop this attitude. Most importantly, this camp gives you an opportunity to meet our coaches and players from our past and present varsity teams. We look forward to seeing you!!
