

# SUMMER READING PROGRAM

June ,

Once again, Thomas Jefferson High School Library will offer a summer reading program. There will be a "C" bell on for locker clean out. The library will be open during this time for any student wishing to check out books. It is hoped that 9th, 10th, and 11th, graders will take this opportunity to read books which they might be too busy to read during the normal school year.

Any book selected for the summer reading program will be due back to the Thomas Jefferson High School Library sometime during the first week of school in September.

A representative list of books follows. It is hoped that many students will take advantage of this opportunity. If you have any questions, please ask Mr. Hyjurick.
