Dear Students, Parents, and Guardians,

As we planned for the 8th grade dance, we continued to hope it would be possible to have our 8th grade students together one last time. Unfortunately, after the school district conferred with the Allegheny County Health Department and assessed the ongoing guidance released from the Governor's office and that of the Pennsylvania Department of Health, we will not be able to have the 8th Grade Dance. We hoped the requirements and guidelines for large group gatherings would have been less restrictive by now, but that is not the case. The restrictions and guidelines currently in place can not be adequately met to permit the dance to take place. At the dance, we planned for students to view a video of their middle school years. We will release the video for our 8th grade students later next week. A video link will be shared. We understand your frustrations and disappointment. We appreciate your understanding and flexibility during these many months.

Sincerely,

Daniel Como
Principal
