

First Week of School August 24-August 28: Daily Summary

Monday, 8/24

The goal for today is for students to meet virtually with their teachers for periods 1-4. Teachers and students will meet virtually using Google Meets. To find the Google Meets link for each class, students will complete the following steps.

Students will find their schedules on Skyward. They will then go to the Homework Resource Page ([PHMS Homework Resource Page](#) Click on Link). On the Homework Resource Page they will click on the page for the teacher/class they have for Period 1. Once they find their teacher's name under the appropriate team or on the main page, a link to a Google Meet will be provided for each class period. They will go to a Google Meet for each class they have. Below is the block schedule with class periods and times for each grade. Students will go to the Google Meet for each class for the time listed (should only last about 20 minutes today).

Wednesday, August 26 through Friday, August 28

For Wednesday through Friday, students will not follow a block schedule. They will be required to complete four modules online *independently* through Canvas, the new district learning management system. The modules have to be completed before students return to school. The modules are: Canvas Training Tutorial, Health and Safety Practices, Common Sense Media Training (appropriate online behaviors) and Dignity and Respect Program Overview. For students in grades 6-8 after they login to their Chromebooks, it will immediately go to the home page of Canvas. On the homepage will be the modules students will complete. You will click on the course titled "WJHSD Back to School PHMS 2020". You will then complete the modules in the course. They should be completed by the end of the day Friday.
