Dear West Jefferson Hills School District Families:

Kindergarten registration is open for the 2023-2024 school year and preparations for the new school year are in full swing. Registering your child for Kindergarten now provides the important information needed to prepare and allows us to establish connections with our incoming families before the school year begins. Begin the registration process now by [clicking here](#).

As a reminder, children entering Kindergarten must be five (5) years of age on or before September 1, 2023. Students must reside within the WJH school district, provide two (2) proofs of residency, current immunization records, and birth certificate. All of this information will be required upon the start of school but you can begin your application now even without all of the information needed.

Our team is currently planning events designed to help you and your child transition to Kindergarten including our popular KinderCamp. [Click here](#) to join our mailing list and please share this information with anyone you know in the WJHSD who will be enrolling their child in Kindergarten for the 2023-2024 school year.

The school district maintains an active presence on Facebook, Twitter and Instagram. Many of our teachers, including our Kindergarten teachers, celebrate student accomplishments through social media. Use the hashtag #wertjk, #wertj, #wjhsd to see some of the exciting events happening all across the WJHSD. I am also including the resources below that you will find helpful in preparing for Kindergarten.

[Welcome to WJH Kindergarten!](#)

On behalf of our entire team, thank you for giving us the opportunity to provide your child with a high-quality, personalized, learner-centric education in a safe and caring environment. Our team has worked hard to develop the premier full-day Kindergarten experience for your child, and we look forward to sharing this exciting time with you.

Sincerely,

[Dr. Matthew J. Patterson](#)
