WEST ELIZABETH - JEFFERSON HILLS - PLEASANT HILLS

What can a K-5 student expect when they turn on their device?

- 3 Hold your badge up to the Chromebook's camera. If accepted, you will see a green checkmark.

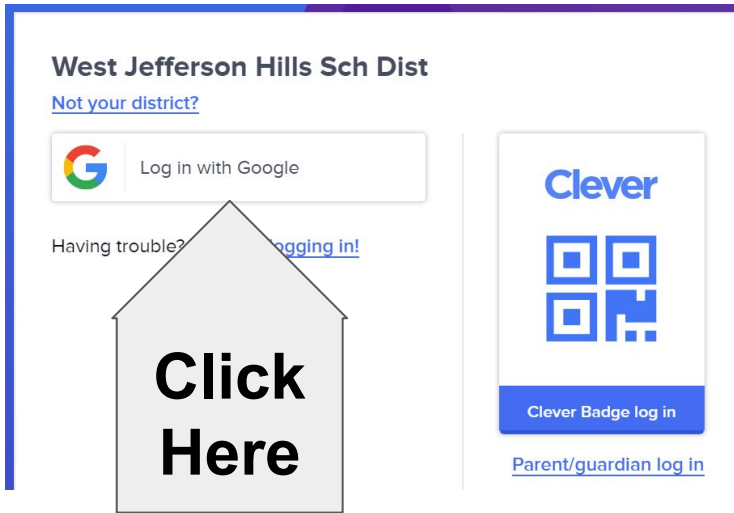

This will take you to the Clever Homepage.

WEST ELIZABETH - JEFFERSON HILLS - PLEASANT HILLS

What can a 6-12 student expect when they turn on their device?

1

2

You may be taken directly to the Clever homepage (shown on next slide) or you may have to enter your child's wjhsd username and password.

WEST ELIZABETH - JEFFERSON HILLS - PLEASANT HILLS

- Once K-5 is logged in, they will be taken to their Clever home.
- Grades 6-12 will see a new tab open with their Canvas dashboard.

The screenshot shows a web browser at clever.com/in/wjhsd/teacher. The dashboard header includes the Clever logo, the school name "McClellan Elementary School", and navigation links for "Homeroom", "Library", "Analytics", and "Classes". Below the header, there are four main sections: "Pages", "Favorites", "Resources added by you", and "Single Sign-on Apps (District)". Each section has a "Show" or "Hide" dropdown menu. The "Single Sign-on Apps" section lists several applications: Edgenuity Pathblazer, Navigate360, Newsela, Savvas EasyBridge, Blocks Manager Education Ever..., and Canvas. The Canvas icon is circled in red.

TIP: Add to favorites by clicking on a heart in the upper right corner of an icon.

1. Click on the Canvas icon to go to your child's courses
