Supervisor of Special Education/Pupil Personnel

April 15, 2021

Dear Graduate and/or Guardian(s),

We are contacting you as a result of your participation in the PA Post Outcome Survey administered prior to your graduation from the Thomas Jefferson High School in June 2020. This survey had inquired about your post-graduation plans, including post-secondary education/training, employment, and independent living goals. As a follow-up to your responses to the survey completed last school year, district personnel will be contacting you or your guardian(s) between the months of June through September 2021 to request the completion of a brief survey regarding your current post-secondary status. The interviewer will ask questions concerning your current involvement in post-secondary education/vocational training, employment, and/or independent living goals as indicated in your former Individualized Educational Program (IEP). You may also receive an email requesting the completion of this questionnaire in the event that contact cannot be made by phone. We truly value your input and will strive to use this information to continuously improve school outcomes for all students who have received special education services while attending the West Jefferson Hills School District. The administration of this survey is a requirement of the Pennsylvania Department of Education, and data collected must be shared with the Pennsylvania Training and Technical Assistance Network in an effort to determine how districts can continuously be supported to better service the post-secondary transition needs of eligible students. Thank you in advance for your feedback and participation.

If you have any questions, please contact us using the information below.

Sincerely,

Special Education Department
West Jefferson Hills School District
