Grade 11	Physical Exam after July 1, 2022
Other	Examinations may be offered for new students in other grades who have not had a physical or dental exam on their school health record.

The Department of Health encourages the family physician and dentist to conduct the examinations since they are aware of the student's health status and history. These examinations are at the parent's expense. If possible, private examinations should be done over the summer to have the forms completed before **SEPTEMBER**. Physical and dental examinations done up to **one year** before grade entry will be accepted.

- Results of private examinations should be recorded on official school forms.
- If possible, please mail the completed form(s) to your school, **Attention Health Office**, before the first day of school.
- If you do not submit a private physical, dental or scoliosis form, your child will be offered a free school examination. **You will be notified of the exam date and must submit a signed permission form to schedule an appointment.**

All students, Kindergarten through Grade 12 will be given a visual screening test yearly at school. Hearing screening tests will be given in Kindergarten and Grades 1, 2, 3, 7 and 11; and all students with known hearing losses may be tested each year at school. Parents will be notified if any defect is found.

All required Health Forms can be obtained @www.wjhsd.net under Health Services Forms.
