

PHMS Homeroom and Team Assignments 2021-22

Students and parents will be able to access their schedules for the 2021-22 school year using Skyward in the near future. Students will be assigned to Team 1 or Team 2 based on their homeroom assignment. Once Skyward is active, you will be able to see your homeroom number and teacher. Students can then refer to the information provided below to determine which grade level team they are assigned. We hope you are all doing well. See you soon!
