Thomas Jefferson High School
2024 Approved Summer School/Credit Recovery
School Counseling Department

Dear Students/Parents:

Summer School information is attached for your review. Please read all the information carefully. **Anyone who is planning to attend summer school, regardless of the reason, is asked to consult with his or her counselor.** Any family that is having a difficult time financially and is worried about the cost of summer school should contact the appropriate counselor to discuss options as well.

There are a few options available for a student who has failed a course that is part of the graduation requirements at Thomas Jefferson High School. If a student has failed just one class and is still on track to graduate on time, re-taking the course next year at the high school is an option. The exception to this is English, which is required all four years of high school. **Students who have failed multiple required classes** most likely need to recover credits through one of the approved **Summer School Credit Recovery** programs in this packet.

Only 3.0 credits can be earned over the summer regardless of the option selected.

Students must earn enough credits each year to stay on track with on-time graduation or they will be reclassified based on the number of earned credits. Students must have earned the listed number of credits or more to be in the corresponding grade level.

10th Graders	11th Graders	12th Graders
4.0	11.0	18.0

Credit Recovery for a Failed Class:

Option 1: **Scheduling and re-taking the class the following year/semester at TJ.** Under this option, the grade and credit earned will be applied to the GPA during the year/semester the class was rescheduled and passed. The initial F will also stay on the transcript and will not be changed or removed.

Option 2: **Completing an approved summer school program.**
Passing a class using this option will not change the student's GPA at TJ. However, the course and grade will be listed on the student's transcript as Credit Recovery and the credit will be applied toward meeting graduation requirements. Approved programs are listed below and information is attached:

***Ignite Education Solutions(Learning Lamp)** – Online (\$165/credit, \$130/credit if student qualifies for free/reduced lunch)

***Kiski Credit Recovery** – Online - \$175/credit

***Keystone Credit Recovery** – Online (\$155/credit) or Correspondence (Paper-pencil format, \$116/credit)

***McKeesport Credit Recovery** – In Person or Online - \$140/credit

Credit Recovery Tuition

Outstanding Education. Excellent Value.

Keystone's credit recovery program offers students an affordable way to get their education back on track. The tuition covers everything needed to successfully complete the credit recovery units and there are no hidden fees.

Online Tuition

Online credit recovery courses are broken into Part A and Part B, corresponding to the first and second semester of a full-year course, and each part consists of approximately 60 hours of coursework.

When a student takes only the first or second part of an online credit recovery course, tuition for that one-semester course is \$116. If a student needs to recover credits for a full-year course and takes both online parts in sequence, tuition for the combined two-semester/one year course is \$155 total.

No shipping and handling fees apply. All course materials are available online and assignments are submitted electronically*.

*Some English courses require the student to borrow or purchase novels themselves, at their own expense. Please refer to the [credit recovery course catalog](#)  for any additional requirements.

Correspondence Tuition

Correspondence units include 30–45 hours of content per course. Each course is equivalent to a full year (two semesters) of that course. Tuition for each course is \$116.

Shipping and handling of course materials**.

**Students will receive course materials within 7–10 days. Express shipping (2–3 days) can be requested for an additional charge.

In the case of hospitalization, funeral or extended illness, the student must submit a physician's or funeral director's note to the teacher. Absence for other school-based activities will not count as a valid excuse. Once on campus students are not permitted to leave for any reason; leaving will result in termination from the program without a refund.

TARDINESS: Two acts of tardiness will be counted as one full day absence from class. Students who arrive more than 10 minutes after the class is scheduled to begin will be marked absent. These are counted as part of the above attendance requirements.

GRADES: Final grades will not be issued until the student's registration fees and other debts have been paid in full.
